2024-2025 Discipline Policy for Youth Ministry

The purpose of good classroom management is to provide an environment conducive to learning and experiencing our Faith. Catechists have the right to teach, and students have the right to learn. An extremely disruptive student interrupts the learning experience and upsets the classroom dynamic. **Please carefully read the rules and discipline policy below.**

Students are expected to abide by these rules:

1. Follow the rules the catechists and students have come up with or agreed upon in youth group.
2. Everyone deserves to be treated with dignity. Show respect with your words and actions to everyone around you.
3. Kindness and respect are expected from all our students. Interactions between students and their peers as well as adults in charge should be kept appropriate. Personal space should be acknowledged.
4. We are a tech free campus. While students are in youth ministry phones/earbuds/etc. are expected to be put away in the designated location upon entering. This allows students to engage with their peers and fully participate in our program.

Our policy in handling disruptive students is as follows: First, the youth minister will discuss the situation with the student; on the second occurrence, the student will be removed from the group with a chaperone, and a parent will be asked to pick them up. Should a student consistently be disruptive and/or use inappropriate language/behavior, the student will be temporarily removed from the youth group program until a meeting between the parent(s) and the youth minister can be arranged.

I have read and agree to the following Parish Discipline Policy.
