This Weekend | Second Collection: Catholic Home Missions Appeal

More than 70 dioceses in the United States and its territories are considered home mission dioceses. They are often in rural areas with small Catholic populations or are in communities that struggle economically and cannot sustain their core ministries without outside assistance. That assistance comes through contributions to the annual Catholic Home Missions Appeal. With support received through this special appeal, these home mission dioceses can sustain parishes in remote areas, support priestly and diaconal formation, and train catechists.
