Learn NFP and prepare for National NFP Awareness Week

Carolina, for the safety and protection of our Parishioners and Priests, we will continue to offer all public Masses in the Gym.

Parishioners may choose to attend either the Saturday Vigil Mass at 5:30 PM or one of the Sunday Masses at 8:00 AM or 12:15 PM. Please note that we are still required to limit our seating capacity in the gym to 211 people, and continue to practice all precautionary measures that are in place to ensure we are protecting one another from the spread of COVID-19. The Church will remain closed for the 10:30 AM livestream Mass on Sundays, for the time being.

The Church will be open for private prayer Monday – Thursday, 8:00-3:00 PM and Friday from 8:00-12:30 PM (in July).

The Creighton Model FertilityCare™ System encompasses a moral, natural, healthy, modern and scientifically reliable method of Natural Family Planning. For single women and engaged couples, the Creighton Model focuses on a woman's health while teaching and promoting abstinence. For married couples, the Creighton Model FertilityCare™ System helps build stronger marriages. Married couples are taught how to identify and understand their signs of fertility which they can use to either achieve or to postpone a pregnancy in accordance with God's design and will.
